Apprentice – Pay rates

The Apprenticeship Programme is designed to provide people with the relevant, practical training which will enable them to progress in their career.

It is based upon achievement which is work based and work relevant, bringing together qualifications to create a programme that is flexible and broad in both content and delivery.

Melton Borough Council will support the Apprenticeship by:

- Providing a programme of training within the workplace to support the qualification.
- Allow time to attend training where appropriate
- Encourage further development.
- Paying the appropriate wage.
